Some Practical Solutions !

- ***Take lessons by phone or Skype (only 30 minutes minimum!)***
- ***Use our mp3 audio lessons (15-25 min. per module, to be repeated multiple times)***
- ***Reduce the frequency of your in-person classes down to twice monthly, then complement with audio, Skype or phone classes to maintain regular contact***
- ***Come to us! Opt to have your class in the « Central Montreal » area (at a café, our Outremont office, etc.) where the minimum class time is only 1.5 hours***
- ***Pay the minimum class time, but shorten your actual in-class attendance. Your teacher can stay on and correct your emails or prepare exercises with the remaining time.***
